PCC'S 2016

PCC has had another great year with growth, development and many learning opportunities to make us that much better!

StepOne has taken off with a community launch in April. Getting the word out has helped us serve 2,263 women as of 10/31/2016.

Dentist CareConnection has expanded in March by providing dentures. In 2017, another clinic will start up in partnership with Columbus State Dental Hygienists student.

PCC's Social Enterprise has been engaged with the Franklin County HUB to provide evidence based care coordination to clients.

New website was launched: www.pcchealth.org

Isi Ikharebha Green, Executive Director, had featured articles in Columbus Monthly and African American Journal. She also married in September to Al Green.

PCC has hired 5 new staff members this year, with 4 assisting StepOne and the Social Enterprise and one part-time office coordinator.

The Healthcare Education Program was approved and is developing to create a more robust partnership with local universities and schools.

Things to look for in 2017 are:

Expansion of the Dental clinics with a 4th clinic.

Healthcare Education Program expansion and inclusion.

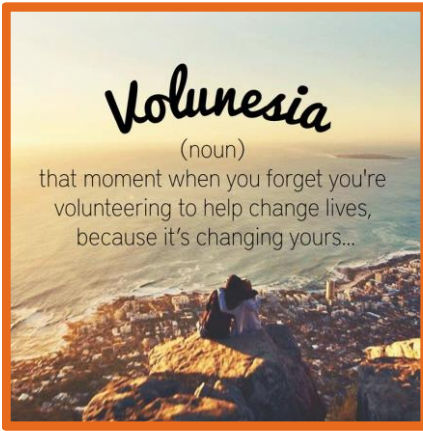

Social Enterprise and StepOne growth.

Volunteer Appreciation Celebration will be changing for 2017 and around April.

Future Dates Monday Night Clinic is CLOSED

January 2 & 16

YOUR GREATNESS
IS NOT WHAT YOU HAVE.
IT'S WHAT YOU GIVE.

Isi Ikharebha Green, Executive Director of PCC was published in an article of *The Columbus African American, November 2016 Edition*. The article hit on how early prenatal care is one of the most important things a mom-to-be can do to make sure her baby is born healthy.

If you know someone who is pregnant, uninsured or has Medicaid; and is not sure of next steps to increase their chances of delivering a healthy baby and manage their health, have them call today at 614-721-0009.
