

MISSISSIPPI ALLIANCE FOR RESPONSE (MS AFR)

PROTECTING OUR HERITAGE DURING DISASTERS

A collaboration between cultural heritage organizations, emergency management officials, and state and local government officials dedicated to:

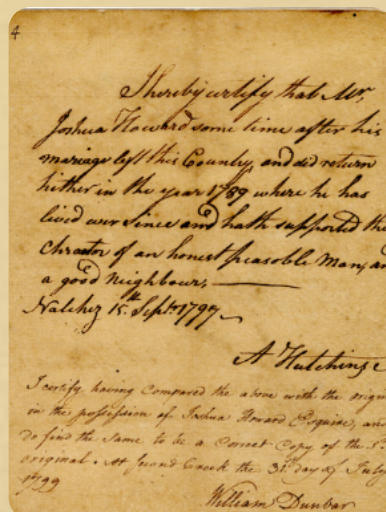

Empowering cultural and historic resources to be a self-reliant community and support each other when the unexpected happens

Increasing the resilience of the cultural and historic resources community through education, planning, and training

Partnering with emergency management to train and assist in emergency operations centers

Prioritizing the well-being of individuals over any object, collection, or site
