About CoreNet Global

CoreNet Global's mission is to advance the practice of corporate real estate through professional development opportunities, publications, research, conferences, and chapters and networking groups.

CoreNet Global is the world's leading association for corporate real estate (CRE) and workplace professionals, service providers and economic developers. Over 9,000 members, who include 70% of the Fortune 100 and nearly half of the Forbes Global 2000, meet locally, globally and virtually to develop networks, share knowledge, learn and thrive professionally.

The New Jersey Chapter of CoreNet Global invites you to partner with us this year in creating compelling and valuable events for our membership while helping to meet the professional goals of your company. This year, our sponsorship program is structured to provide our Chapter Sponsors better value and recognition throughout the year. Partnering levels will offer sponsors consistent exposure to our chapter membership as well as allow for strategic engagement in educational and other programs that align with the sponsor firm's expertise.
