

## **Breakfast Session 'Vacant Offices - Action Plan'**

Dear Benelux Chapter Members,

We are pleased to invite you to join the second CoreNet Global Benelux Chapter breakfast session, to be held on Friday, 4 November, 2011, at the newly opened offices of CBRE in Amsterdam, to discuss:

### **Vacant Offices – Action Plan**

*Despite their diverse interests, governments and businesses have agreed to jointly address the vacancy rate, which is unique and also a necessity as neither side is likely to be successful on its own.*

*Are we trying to save what we have already lost ..... is it time for courage?*

Are you struggling with high vacancy? Having trouble disposing of excess property? Or, as an end-user, enjoying your current bargaining power? Do you have an opinion, or a solution?

In this two-hour session, our panel will examine this challenging topic and provide a platform for active audience discussion from all areas of the corporate real estate profession, so that you can apply what you learn to your everyday activities. Places are limited - to secure your place, please register as soon as possible.

Programme:

- Welcome, Remco Kroeze (CBRE)
- Introduction, Monique Arkesteijn (CoreNet Global Benelux Chapter Board)
