

SUMMER SIZZLER

A Taste of What's Happening with CoreNet Global New England

CoreNet Global New England has had a blazing hot summer. The highlight of our summer was our 17th Annual Charitable Golf Tournament held in honor of and dedicated to our dear friend, Dan Pleines. Dan made countless and significant contributions to CoreNet Global New England as a passionate member of our board and as an enthusiastic co-chair of our Golf and Sponsorship Committees. Most importantly, we remember Dan as a genuine, warm and kindhearted friend who was a true gentleman.

Dan would have been very proud of the tremendous work of our Golf Committee and our Golf Chairs (Kristin Poulin, Tim Myllykangas and Sean Murphy), all of whom worked tirelessly on behalf of Dana-Farber Cancer Institute and South Shore Habitat for Humanity.
