

FEBRUARY 2017

# WINTER WARMER

No Hibernating for Us Hardy CoreNet New Englanders

While we may be in the doldrums of winter, I know at least I am still basking in the afterglow of the amazing, historic comeback of our own New England Patriots! Weeks later and I am still celebrating. Please join me at our upcoming Annual Meeting where we will celebrate the graduation of the first class of our Leadership 2.0 program. This year's Annual Meeting is in the evening, from 5:30–7:30pm, on March 28, 2017 at John Hancock, 601 Congress Street. In addition to our meeting and graduation, Jan Johnson from Allsteel will present the fascinating results of her company's study on measuring knowledge worker productivity. To register, visit our website via the button below – I look forward to seeing you!

**Cynthia Keliher**

Partner, McCarter & English, LLP | President, CoreNet Global New England

## FAIRWAYS AND FAIRER WEATHER

*Spotlight on the Golf Committee*

We CREs are known for shooting with a high trajectory: we set the pace, aim for the green and even know our way out of a sand trap. The Golf Committee is no different! Mark your calendars for July 19 when we welcome our members and their guests back to **Pinehills Golf Club** in Plymouth for our Annual Golf Tournament. Sean Murphy of Liberty Mutual and Dan Pleines of Fresenius Medical are this year's co-chairs. You don't need to know the difference between a birdie and a bogey to volunteer, so please reach out if you're interested!

## WHAT'S THE BUZZ ABOUT...

Can you talk in a whisper and still be heard in a crowd? Tame a lion? Stand up and stand out? Craft emails that illicit a response? Get to yes? Lead your team into battle and come out victorious? Meet 15 of your CoreNet New England colleagues who have learned all of these skills and more when the first Leadership 2.0 class graduates at the Chapter Annual Meeting on March 28.

**15** Total number of members in the first Leadership 2.0 graduating class

**LEADERSHIP 2.0**

## SOCIAL MEDIA PERFORMANCE

801 Twitter followers

496 LinkedIn members

## #CREsOnSkis

## YOUNG LEADERS CORNER

It was a great day on the slopes for the first **CoreNet New England Ski Trip** hosted by the Chapter's Young Leaders. On Friday, February 3rd, 25 members hopped on a bus from Boston to Waterville Valley for a day of carving and shredding – and maybe a few wipe outs. The weather held out for a day full of great runs down the mountain and some picturesque views, then finished off with a fantastic après ski in the Harpoon Sky Box. A big "thank you" to VVA Project Managers and Consultants for sponsoring the transportation to and from the mountain. We look forward to more socializing on the slopes in the coming years!

@VVA\_PM: The CoreNet New England Young Leaders Ski Trip 2017, sponsored by VVA, was a great opportunity for clients and colleagues hit the slopes!

Punxsutawney Phil saw his shadow signaling 6 more weeks of winter ... but how much snow will we get?

Colder temps mean clearer views ... head to the Top of the Pru!

Attracted to the allure of Cuba? Visit the BSA's exhibition **Road to Revolution**, a 30-day journey across the country.

The Bourbon and Bacon Fest is returning to The Castle at the Park Plaza on March 11. Need we say more?

Boston Flower & Garden Show at the Seaport World Trade Center March 22-26. Spring is almost here!
