## Riders channel their inner Hoy

The inaugural CoreNet UK Chapter Property Cycle Challenge took place last month as 15 teams from across the industry channelled their inner Chris Hoy and raced around the Olympic velodrome at the Lee Valley Velopark in Stratford, east London.

The event was sponsored by JLL and raised more than £1,000 for LandAid.

Following a training session, 73 Lycra-clad riders took to the 250m track to race. Prizes were awarded for fastest team, individual and for the individual pursuit.
