

Monthly Newsletter | July 2023

Dear Members & Colleagues,

The first half of 2023 has been full of opportunities for our members to build relationships, expand their networks and learn more about new industry topics. Our membership base is constantly growing, and it's only going to get better! What I really look forward to is the 'East Meets West' Global Summit taking place in Dubai from 12-14 September; there will be a diverse group of CRE professionals flying in from across the world alongside an impressive line-up of speakers and I therefore encourage you not to miss this unique opportunity.

Within the CoreNet Global Middle East Chapter Board, June was a busy month for as we welcomed 2 new board members and bid farewell to 2 long standing board members. I want to wish James Hodgetts and Neslihan Küçükaslan a warm welcome and bid Richa Singh and Martin Harris farewell - we thank them for their tremendous contribution to the Chapter's success over the years.

Hope you all get some time off this summer and look forward to catching up again early September.

Sarah Aoun
Chapter Chair
