#futureofwork

Dubai
1 May, 2024

9am – 4pm

AVI-SPL
Building 8, Warehouse 1
FNC Compound
Dubai Investment Park 2
Dubai, UAE

Let's create a better human experience together.

The human experience revolution is here and it's time to center the tech conversation around what matters most – us.

We invite you to come learn about the workplace of the future, where next-gen and hybrid collaboration technologies make work more human.

Join us for VIBE. We bring together the leading thinkers in business collaboration for one purpose: to share ideas and best practices for better ways of working and connecting.
