7:30PM | Awards Gala  
9:00PM | After Party

We are excited to announce that the REMmy Awards Gala this year will be hosted at The Beverly Hilton Collection on November 21, 2019!

While we have had some delightful years at The Beverly Hills Hotel, the Board decided that we could not in good conscience support the enactment of laws by the hotel's ownership in Brunei that is inconsistent with our values. The REMmy's will be a spectacular event. We are delighted to celebrate with you, the exceptional leaders, who make outstanding contributions to our profession!

Thank you

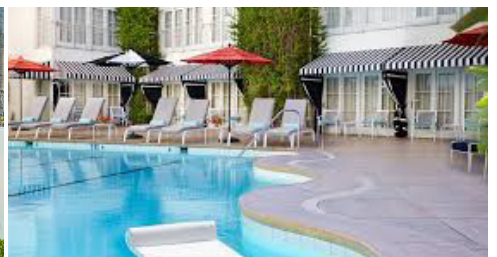

Alex Perry  
Chair

President
