MONTREAL REGION, NOV. 9 - LUNCH & LEARN: LEASING VS. BUYING IN TODAY'S ENVIRONMENT - Montreal Members gathered to discuss the question of buying or leasing corporate facilities is a question frequently asked to CRE's in entrepreneurial companies. Our panel of experts presented their pros and cons for each option in today's real estate market and evolving workplace.

CALGARY REGION, OCT. 25 - REAL ESTATE NETWORKING EVENT - CoreNet Calgary Region was pleased to hold their annual networking event on October 25th. CoreNet Members and Guests enjoyed appetizers, cocktails and meaningful conversation with other real estate leaders in the community.

TORONTO REGION, SEPT. 22 – BREAKFAST EVENT: CRITICAL ENVIRONMENTS and CORPORATE REAL ESTATE - *A 360 degree look at Change, Challenges and the Future of Real Estate Business Strategy.* In today's world, data centres are mission critical to business continuity for every company. As growth of total worldwide data centres, or critical environment space is expected to increase from 1.58B ft² in 2013 to 1.94B ft² in 2018 (+22% over 5 years), the management of critical environments must be a key component of every company's real estate strategy. A panel of experts, including Service Providers and End Users discussed the impact of critical environments on corporate real estate planning, special challenges in managing critical environments, from avoiding downtime and disruptions to enhancing maintainability and scheduled maintenance, as well as the emerging trends in critical environments with respect to support from Corporate Real Estate Teams.

CALGARY REGION, SEPT 14 – LUNCH & LEARN: CMLC JOURNEY ON FOOT – EXPLORE AN EMERGING DISTRICT DEVELOPMENT - What makes a community livable? Knowing that a successful development supports engaging human interaction can only be experienced when you actually move through it. This walking tour of Calgary's East Village urban development is planned to confirm that "sense of place" is key to magnetizing urban environments. We invite you to join us at the East Village Experience Centre as CMLC shares the exciting vision for this development, pointing out highlights, key features and village concept. Come to understand that places people want to go to have a thoughtful mix of uses including commercial spaces, live/work spaces, cultural, office and recreational uses. We will end the tour with cocktails, appetizers, networking and fun!

TORONTO REGION, SEPT 8 – YOUNG PROFESSIONALS SUMMER SOCIAL WRAP UP - CoreNet Global - Canadian Chapter and IFMA Toronto are celebrating the end of a long hot summer at the Oasis Rooftop Patio on September 8th. Young professional facility managers, leasing representatives, designers, property managers or young professionals in other relevant fields are invited to attend our Summer Wrap-Up.

MONTREAL REGION, AUG. 16 - 5@7 SUMMER CELEBRATION AND NETWORKING EVENING - Montreal Members gathered for a Summer Celebration and Networking Evening! It was a great opportunity to mingle and exchange with corporate real estate professionals from North America. Members and guests enjoyed appetizers and cocktails while admiring the panoramic view from the rooftop at the Renaissance, the new art deco hotel.

TORONTO REGION, JUNE 29 - BREAKFAST: CAREER SUCCESS WITH MENTOR PARTNERSHIPS - Today's leading professionals are tomorrow's clients, partners, collaborators and colleagues. We are committed to nurturing the best and brightest emerging talent. Join us for breakfast and listen to an elite panel of CRE professionals share the heart of mentoring through personalized insights and tips to fostering a mentorship and coaching relationship that makes a difference.

CALGARY REGION, JUNE 23 - LUNCH & LEARN: CALGARY CORE REINVESTMENT - CONNECTING PEOPLE AND PLACES - The City of Calgary Urban Strategy Department is developing a comprehensive strategy to invest in the public realm as part of an initiative to create jobs and enhance public spaces for citizens. Learning how the strategy impacts your real estate can inspire new vision for your real estate strategies. The "[Civic District Public Realm Strategy](#)", approved by Council in January 2016, is one of the strategies along with the "[Centre City Plan](#)", that promises to guide future redevelopment and enhancement initiatives, to create great public spaces, to better connect people and places, and identify a range of improvement opportunities. In this informative session attendees learned about what's planned beyond the walls and consider how this will influence the people in your buildings.

TORONTO REGION, JUNE 21 - ANNUAL SUMMER SOCIAL - CoreNet Global - Canada Members had the opportunity to connect with other members, MCR Alumni and industry friends of CoreNet Canada on the Duke of Devon's downtown patio. Good food, good company! Summer networking at its finest!

TORONTO REGION, MAY 31 – ANNUAL GOLF CLASSIC – CoreNet Canada members, guests and sponsors enjoyed a weather-perfect day for this much anticipated annual event, at Lionhead G&CC in Brampton, Ontario. Our Photographer captured the fun and excitement from start to finish.

TORONTO REGION, MAY 4 - REMMY AWARD WINNERS SHARE THEIR WINNING SUCCESS - Presentations by the 2015 RE Emmy Awards winners. Representatives from teams in each of the three project categories provided insights on the planning and completion of their award winning projects.

TORONTO REGION, APR 20 - COLLABORATING AND CO-WORKING AT LIBERTY VILLAGE - Toronto area members and industry partners joined together for breakfast and to listen to panel of guest speakers as they discussed how the unique features of this neighbourhood promotes cooperation between Like and Unlike companies and businesses. The panel discussion was concluded with a walking tour of the Carpet Factory building.

CALGARY REGION, MAR. 23 - IDENTIFYING CALGARY - OUR UNIQUE PERSONALITY AND PRESENCE - Calgary members and industry colleagues gathered to listen to a panel of experts discuss; what makes Calgary unique? Does Calgary have a personality like New York City or Portland? Is it important that Calgary should have one? A Community can be considered as a group of people who are connected in ways that extend beyond family ties, and who mutually define that relationship as important to their social identity and practice. What is it that defines this relationship which affects the identity of Calgarians and their degree of cohesiveness? Our panel discussed and examined these questions and how our local culture impacts our community environments and work-play lifestyle.

TORONTO REGION, MAR. 1 – METROLINX: TRANSFORMING THE WAY WE MOVE – Toronto Region members gathered together for a hot breakfast and to listen to guest Speaker Leslie Woo, Chief Planning Officer for Metrolinx, who provide an overview on Metrolinx's progress on advancing "The Big Move". Which included the implementation of the GO regional express rail (RER) electric service across the Greater Golden Horseshoe. Leslie also discussed the coordination between land use and transportation planning, and how mobility hubs and new stations can be part of the long term vision. You can see her [presentation here](#).

TORONTO REGION, FEB. 24 – REASONS TO EARN THE MASTERS OF CORPORATE REAL ESTATE (MCR) DESIGNATION – an information session was held on February 24th to discuss the benefits of the designation and the MCR program. There was a panel of MCR Alumnae and Candidates that were present to answer questions. What is the Master of Corporate Real Estate (MCR) designation? ... and what are the Requirements? [Read more information](#). Here are the various pdf handouts that were distributed at the information session: [MCR Program Planner](#) | [CNG Seminar Schedule 2016 \(3 year plan\)](#) | [MCR and Learning FAQs](#)

CALGARY REGION, JAN 20 - LOOSING BALANCE, RE-GAINING CONTROL - UPPING OUR GAME IN ALBERTA'S ECONOMY - 2015 was a challenging year for Alberta's economy. Our guest speaker Todd Hirsch, Chief Economist at ATB Financial discussed how the Canadian and global economies remained out of balance, which weighed down confidence and commodity markets. In Alberta, economic stability was lost due to a severe slump in oil prices—which also had a painful impact on employment for thousands in our province. However, when things are out of balance, regaining control is key. This ongoing series discusses how—and when—might Alberta's economy get back on track.

TORONTO REGION, JAN 13 – ANNUAL MARKET OUTLOOK - A panel of industry experts provided CoreNet Global members and industry guests with an overview of how the urban leasing, suburban leasing and investment sales markets performed in 2015 ... plus their predictions on what to watch for in 2016. CoreNet Global Canadian Chapter thanks Moderator, Sheila Botting, Partner & Canadian Real Estate Leader, Deloitte, and Panelists: David Bergeron, Managing Director, Toronto West Office, Cushman & Wakefield; Samantha Farrell, Vice President, Leasing, Dream Office REIT; Peter D. Senst, President, Canadian Capital Markets, CBRE Limited
