

**Become part of the all-important 20 per cent!
Get involved in your professional association**

In the association sector, it's not uncommon to hear reference to Pareto's Principle—20 per cent of members do 80 per cent of the volunteer work. Regardless of the statistical validity of this statement, the fact is that CoreNet Global Canadian Chapter is a volunteer-driven organization.

Without volunteers there would be no educational sessions, professional development or networking events, no holiday season event, no newsletter, no new member orientation—no Canadian Chapter. Each program year, the Chapter engages the participation and support of more than 70 volunteers in the planning and delivery of programs and services.

Like these dedicated volunteers, your motivation for sharing some of your time with CoreNet Canada can be a number of reasons:

- Enhance your professional and business skills.
- Develop your business contacts and relationships.
- Support the industry in which you work, and help influence the direction of the CoreNet Canada.
- Help fellow association members benefit from high-caliber programs and events.

Whatever the reason, you are guaranteed to get more from your CoreNet Canada membership by getting involved on any of the committees listed below.

- **Professional Development Events** (regional programming that enhances members' business and industry knowledge)
- **Education** (MCR/SLCR courses coordination, and boost awareness of CoreNet Global's learning courses)
- **Membership** (member retention/recruitment and new member orientation)
- **Social Networking Events** (periodic regional events that provide networking opportunities for members and industry colleagues)
- **Young Leaders Events** (professional development and networking programming geared toward young professionals 35 or under)
- **Sponsorship** (corporate sponsorship program growth and retention)
- **Golf Tournament** (assist with planning, awareness and sponsorship sales for the Annual Golf Classic)
- **Social Media / Newsletter** (assist with regular contributions of relevant business content for the Canadian Chapter's newsletter and social media initiatives)

The time commitment for each committee varies, however a committee may meet every six weeks with a volunteer's monthly contribution of time totaling approximately 4 – 6 hours.

If you know you can contribute the time and wish to participate on a committee for a minimum of one year, please submit the information requested on the following page to Courtney Thack, Association Manager, admin@corenetcanada.com.

Thank you.
