

YOUNG LEADERS: DEVELOP YOUR COMPETITIVE EDGE

WHAT IS THE CORENET GLOBAL YOUNG LEADERS PROGRAM? CoreNet Global is the largest worldwide organization devoted to the professional education of corporate real estate professionals. The **Young Leaders** special interest group exists within each chapter and provides a forum for professionals 35 and under to advance their careers in the corporate real estate industry through educational opportunities, networking, community investment volunteer events, and leadership opportunities. This group is comprised of corporate real estate and workplace executives from various industries including banking, law, media, insurance, real estate brokerage, engineering, architecture, and project management.

CoreNet Global Young Leaders' mission is to enhance educational growth and networking opportunities for real estate professionals 35 years of age and under. We are dedicated to developing and cultivating relationships with peers, as well as senior professionals to support career development. Through various educational workshops, luncheons, networking events, and mentorship programs, our members will gain the tools necessary to advance their career in real estate to the next level.

HOW WILL THIS HELP ME? The Young Leaders group provides the following opportunities and benefits:

- **ACCESS & CONNECT:** Network with successful corporate real estate and workplace professionals from multiple industry sectors.
- **INSIGHT & EDUCATION:** Enhance and share knowledge of current trends in the corporate real estate market with members of your company through site tours and events.
- **LEADERSHIP:** Chair events, coordinate programs, present and execute new ideas.
- **SUPPORT:** Develop formal mentorships with senior industry leaders.
- **LEARN:** Enhance your critical knowledge through in-depth education and knowledge-sharing programs. Explore the benefits of CoreNet Global programs such as the MCR program (See box at right.)
- **GROW:** Members grow both personally and professionally through various local and national networking events, mentorship programs, and best practice discussions.

Within each corporate real estate role, other benefits arise through active involvement:

GROW YOUR CAREER WITH CORENET GLOBALS MCR DESIGNATION

CoreNet Global Master of Corporate Real Estate® (MCR) Designation.

What is the Master of Corporate Real Estate (MCR) Designation?

The Master of Corporate Real Estate (MCR) designation provides essential skills that focus on critical business issues and the mission of the CRE organization in relation to corporate goals. Become an MCR candidate to broaden your knowledge and deliver ever-increasing value to your enterprise. In a peer-to-peer learning environment, led by industry experts, you will enhance critical skills and obtain useful "take-aways" with immediate applications. The MCR designation communicates special competence and successful experience as a corporate real estate (CRE) expert. The designation has contributed to the professionalism of CRE and is essential for service providers, end users, and economic developers at all levels.
