Annual Sponsorship Program

PLATINUM SPONSOR PROFILE

SOLID Surface Care culture is founded on building personal relationships which, like the best facilities, stand the test of time. We take a comprehensive approach to every aspect of our business to help people stay safe and preserve property and surfaces. From carpet to concrete, metal and marble, with SOLID, your surfaces are protected, your spaces are kept clean and healthy, and your expectations are exceeded. When working with SOLID, it all comes down to one: one partner, one contract, one invoice, and one point-of-contact for all your specialty surface care needs.

Since our founding in 1888, **Swinerton** has grown and changed and embraced new opportunities at every step along the way. Our clients and partners have led us to this exciting point in our company's history, and our promise to those trusted partners will remain the same, even as we embrace what the future holds. Regardless of the scale of work or the challenges that come our way, excellence is always our standard — and we plan to deliver that to our partners for decades to come.
