Employee Experience

The chapter is excited to announce a brand new event! As we start to plan for a post-COVID world with new ways of working, CoreNet Carolinas would like to advance thinking of future office design through showcasing chapter talent and thought leadership. We invite members to form a team of 2-5 people, of which at least one person must be a CoreNet member, all of whom must work in the Carolinas, to share their vision in one of three categories, design, technology and employee experience. This will be a judged competition, with a winner and runner-up team in each category. Register your team today!

Global Corporate Real Estate Awareness Week

CoreNet Global is pleased to announce the first annual Global Corporate Real Estate Week, March 15-19, 2021. This week is designed to commemorate, educate, inform, and connect the world to all that our often under-recognized profession does to advance the economy – and the people, places, and spaces where work gets done. In addition to a professional awareness campaign, CoreNet Global will offer engaging, virtual content and activities each day across multiple time zones.
