Past Events

June 3: The Ever-Changing Healthcare Experience Virtual Program

Great discussion was had by our panelists, Kalen Stanton and Leslie Colucci, as they dug into the healthcare experience, investigating what things are perpetuating the need of change, what changes are currently in the landscape and on the horizon and how we are pivoting.

June 10: Charlotte Networking

Thank you to everyone who attended the Chapter's first in person event of 2021! We had an amazing time networking with friends and colleagues we haven't seen in a very long time. It was a great event at a great location, El Thrifty CLT.

June 15: Hyper Construction Hybrid Office Virtual Program

A big thank you to our speakers John Hughes, Steelcase and David Heath, DPR

Construction as they detailed insight into navigating an unpredictable construction industry and an evolved workplace. All attendees had the opportunity for great discussion with our speakers with several breakouts.

June 17: South Carolinas Member-Guest Networking Event

Our first South Carolina in person event was a wonderful chance for our members and guests to experience CoreNet at its finest. We had a successful event with over 30 attendees networking and play the 3's Golf Club in Greenville, South Carolina.
