2022 Mega Event Save the Date

The last three years have pushed us all to our limits. All the world is a stage and the recent pandemic has rewritten the script. Now, we need to redesign the set. Are you ready Corporate Real Estate? Are you focusing on your employees and empowering ownership and leadership? With diverse and distributed workforces, companies are refocusing on employees, employees are advocating for more work-life balance and transparency and ultimately CRE is reimagining how our work spaces fit our teams *not* how our teams fit our work spaces.

2022 CoreNet Global Summit

As the world seeks to realign and define the new normal, corporate real estate (CRE), the businesses they serve, and their customers, are looking for answers to how we all fit together. How do people, place, and purpose help to fulfill this aim? How do CRE, HR, IT, continue to work together and better? How do we promote and encourage ESG and DEI efforts such that they become ingrained in business? As leaders who are at the forefront, seeking and implementing answers to these questions, you have the knowledge and the expertise to lead the charge and define the future.
