

June 2022 CoreNet Update

Did You Know?

CoreNet Global North American Summit Registration Open

The Summit will be taking place this fall in Chicago, IL from November 1-3. As the world seeks to realign and define the new normal, corporate real estate (CRE), the businesses they serve, and their customers, are looking for answers to how we all fit together. How do people, place, and purpose help to fulfill this aim? How do CRE, HR, IT, continue to work together and better? How do we promote and encourage ESG and DEI efforts such that they become ingrained in business? As leaders who are at the forefront, seeking and implementing answers to these questions, you have the knowledge and the expertise to lead the charge and define the future. Early Bird Registration closes Monday, June 13.
