Did You Know?

Mega Event NEW Date of March 10th, 2022

The largest event of the year attracts 300+ corporate real estate executives from across North and South Carolina. We are sensitive to the current environment associated with COVID-19 and the local municipality mandates in place. With these items in mind, the Chapter will change the date of our largest indoor event of the year to maximize our audience participation and to showcase the impact of the CoreNet Carolinas Mega Event. We look forward to a record setting in person attendance in Spring of 2022. Our intent is to continue to deliver educational content and we will set a new virtual program date in the coming weeks.

Global Survey

CoreNet Global has recently launched a survey on companies plans for returning to work amid increasing cases of the COVID-19 delta variant. How is your company responding to the delta variant? Will there be a mask or vaccine mandate? Will return to work plans change? Please take a few moments to fill out the survey.
