To: Prospective Corporate Sponsors of CoreNet Canada

On behalf of the Canadian Chapter of CoreNet Global, we are pleased to invite you to participate in our Sponsorship Program. CoreNet Canada's members include many senior-level executives who engage in asset management and procurement for leading companies. The program is designed to enhance visibility of your brand with this audience in multiple regions, delivering maximum value and recognition.

As you saw on page one, each sponsorship level – Platinum, Gold, or Silver – offers an array of benefits that deliver a high degree of recognition at all of our events in the Calgary, Toronto and Montreal Regions of CoreNet Canada. These include, in addition to regular educational programs and social events, special events such as the CoreNet Canada Annual Golf Tournament and the Annual REmmy Awards.

We are very excited about the opportunity to connect with you. We believe your investment will give you highly valuable learning and networking opportunities while providing your company with widespread recognition in the corporate real estate business community.

If you have questions, or to become a Corporate Sponsor with CoreNet Canada, please feel free to contact me or the Sponsorship Committee.

We thank you in advance for your consideration.

Sincerely,

Tim Peters
