

**Become part of the all-important 20 per cent!
Get involved in your professional association**

In the association sector, it's not uncommon to hear reference to Pareto's Principle—that 20 per cent of members do 80 per cent of the volunteer work. Regardless of the statistical validity of this statement, the fact is that CoreNet Global Canadian Chapter is a volunteer-driven organization.

Without volunteers there would be no educational sessions, professional development or networking events, no holiday season event, no newsletter, no new member orientation—no Canadian Chapter. Each program year, the Chapter engages the participation and support of more than 70 volunteers in the planning and delivery of programs and services.

Like these dedicated volunteers, your motivation for sharing some of your time with CoreNet Canada can be a number of reasons:

- Enhance your professional and business skills.
- Develop your business contacts and relationships.
- Support the industry in which you work, and help influence the direction of the CoreNet Canada.
- Help fellow association members benefit from high-caliber programs and events.

Whatever the reason, you are guaranteed to get more from your CoreNet Canada membership by getting involved on any of the committees listed below.

- **Communications** (social media, newsletter, events support)
- **Programming** (professional development and informational events, social events)
- **Education** (MCR/SLCR Courses coordination, and Scholarships)
- **Special Events** (Golf and Annual REmy Awards Gala)
- **Membership** (member retention/recruitment, new member orientation)
- **Sponsorship** (retention and growth of the Corporate sponsorship program)
- **Young Leaders** (professional development and social events geared toward young professionals 35 or under)

The time commitment for each committee varies but averages one meeting every six weeks and volunteer contributions totaling approximately 4 – 6 hours per month.

If you are interested in committing to working on a committee for a minimum of one year, please contact Courtney Thack, CoreNet Global Canadian Chapter's Association Manager, at admin@corenetcanada.com. On the following page, Please specify which three committees would be your top choices to join and provide a brief statement of experience relevant to the committee work.

Thank you,
