CoreNet Global | Singapore Chapter

SYMPOSIUM 2023

AN IMMERSIVE EXPERIENCE

4PM - 10PM THURS

02 NOV 2023

PERSONAL DEVELOPMENT | LEARN & NETWORK

# MESSAGE FROM THE CHAIR

Dear Members, Sponsors, and Partners of CoreNet Global Singapore Chapter,

As we approach the end of another remarkable year, I extend my heartfelt gratitude for your unwavering support and dedication to our chapter. 2023 has been a year of exceptional achievements, marked by groundbreaking initiatives, vibrant networking opportunities, and a steadfast commitment to excellence within the corporate real estate industry.

This year, we stood tall among our peers, receiving the prestigious Chapter of the Year award at the CoreNet Global Summit in Denver. All I can say is that I am truly humbled to have led Singapore Chapter and won Chapter of the Year award for Large Chapter twice in a row (2022 - 2023). This recognition is a testament to our collective efforts, showcasing the Singapore Chapter's dynamic leadership, innovative programming, and unwavering commitment to fostering a thriving CRE community.

Our membership has witnessed remarkable growth, increasing 40% to over 400 members today, welcoming a diverse range of professionals who enrich our network and broaden our perspectives. This expansion underscores the Singapore Chapter's appeal as a hub for knowledge sharing, professional development, and meaningful connections.

As we embark on 2024, we do so with renewed energy and a steadfast commitment to elevating the Singapore Chapter to even greater heights. Our board for 2024 will come with a number of new additions, brimming with expertise and enthusiasm, is poised to guide us through a year of exciting initiatives and transformative programs.

Throughout 2023, we hosted more than 24 events – including a symposium, forums, panel discussions and networking sessions – spanning a wide range of topics relevant to the ever-evolving corporate real estate landscape. These events provided invaluable opportunities for our members to learn from industry experts, engage in stimulating discussions, and expand their professional networks.

As we celebrate the end of another successful year, I extend my warmest wishes for a season of joy, togetherness, and rejuvenation. May the festive spirit of the holidays illuminate your homes and hearts with warmth and cheer.

Thank you once again for your unwavering support and commitment to the CoreNet Global Singapore Chapter. I look forward to an even more exciting and transformative year ahead, as we continue to elevate the CRE industry in Singapore and beyond.

With sincere appreciation,

*Adeline Liew*

Singapore Chapter Chair

Group Head of Employee Experience, Communications and Engagement, DBS Bank

# GLOBAL NEWS

We did it again !
Singapore wins Large Chapter of the Year !
Two years in a row!

# EVENTS

## How We Became the Chapter of the Year 2023

### A Look Back at Our Amazing Events

With a busy CoreNet Global Singapore Chapter year almost behind us, we look back on our best year ever as far as attendance, a wide range of exciting and relevant themes and topics and a jam-packed calendar of events! One of our members said, 'I learned so much from the Symposium speakers and had a great time networking with other professionals in the field. It was an immersive experience indeed!'. And one of our sponsors said, 'We are proud to support CoreNet Global Singapore Chapter and their amazing events. They always deliver high quality and engaging content for their audience.'

We believe this is also one of the reasons why we have seen record numbers of members joining the Chapter; the best volunteer Organisation for Corporate Real Estate professionals in Singapore and 'the' place for fruitful networking and personal development. The local support has been overwhelmingly positive, and we can't thank you enough, both members and Sponsors, for your continued involvement and support.

To top it off, from a global point of view, what we do, how we do it and with whom we do it must have resonated all the way to the CoreNet Global Board as we for the second consecutive time won the Chapter of the Year 2023.

### CoreNet Global Singapore Chapter Symposium 2023

The standout event of the year for the Singapore Chapter was our Symposium 2023 – An Immersive Experience! It took a lot of hard work, dedication, and creativity to pull this event together in record time.

Words can't describe how awesome the Symposium was, but pictures can! Have a look at the many photos we collated from the day. What makes me most proud when looking back at these photos, is how every human connection is in deep and engaging conversation which was what the Event team was hoping for with our themes and activities. For it to be the immersive experience we aspired to deliver, we knew we had to push all buttons of the human spectrum of senses.

We trust you enjoyed the thought-provoking speakers, the weird and wonderful robots on display, the soothing and stimulating lights and sound that created a relaxing and enjoyable atmosphere and a mix of educational content with two brain twisting breakout sessions followed by the reward for all your hard work; our main dinner to celebrate peers and colleagues.

**Thank you to all Sponsors of the Symposium**, with your generous and invaluable support, we delivered an outstanding and memorable event for our members and guests. Also, a big thank you to the firms who showcased your tech in the Lounge, much appreciated and very positive feedback from all delegates.

### What's coming in 2024?

Look out for more Show N Tell site visits; we are keen to hear from all of you if you have a unique workplace you would like to showcase. Also, don't forget our annual Outlook 2024 event where we gain deep insights from industry experts into the future of CRE!

Plus, many more events to ensure you stay ahead of the curve, such as; ***Round Table Discussion - Corporate Real Estate 2030, Real Estate Outlook 2024, How Commercial To Residential Conversions Work, Why Hospitality Design Will Dominate Office Spaces …Or Not?*** *and* ***International Women's Day 2024*** to name a few. Please let us know what topics you would like us to tackle and debate…after all this is your community so make the most out of it as you can.

# EVENTS

**Thank you and goodbye!**

On a personal note, I would like to thank everyone involved with CoreNet Global Singapore Chapter, from the Board to all the Sub-committee members.

It has been an honor and a pleasure to lead the Events Committee for the last three (3) years. It has been a privilege and a joy to connect with so many of you and the learnings and friendship will be treasured for the rest of my life.

I have full confidence and faith in the new team to continue to 'raise the bar' and can't wait to attend many more engaging events in 2024 and beyond.

Thank you all, see you around! Thank you to all our members and Sponsors for your continued support and participation in all our events, until then; have fun out there.

With gratitude and best wishes,

# Creating a Workplace of Belonging at ISS

In today's ever-evolving professional landscape, ISS acknowledges the importance of nurturing a culture of belonging. Diversity, Inclusion, and Belonging (DIB) activities have emerged as a pivotal force in shaping workplaces that are safe, engaging, and inclusive. Let's explore some of the initiatives that underscore ISS's commitment to creating an inclusive environment that seamlessly blends diversity, belonging and enjoyment.

**The Purple Parade 2023:** ISS employees and their families were very excited to support the Singapore The Purple Parade 2023, where employees march together, championing inclusion and celebrating the remarkable abilities of all people.. It's not just a display of external support; it's a demonstration of ISS' internal dedication to embracing diversity.

**ISS Charity Drive:** ISS' commitment to giving back is unwavering. Employees contribute by donating unused items, which are then sold internally to colleagues.

This not only keeps these items out of landfill but contributes financially to our chosen charities.

It also helps to strengthens a sense of community as ISS unite for a noble cause.

**Generation & Age:** ISS celebrate diversity in all walks of life and age groups. Strength of differences leads us to actively encourage cross-generational learning and collaboration, harnessing the unique perspectives and talents each age group offers.

**Mental Health Live:** Mental well-being is a very important part of our overall health. Our engaging discussions revolve around mental health awareness, work-life balance, psychological safety in the workplace, and stress relief methods. These conversations foster a supportive atmosphere and equip employees with valuable tools to navigate the challenges of the modern workplace.

DIB activities are the cornerstone of ISS's commitment to creating a workplace where every individual feels a profound sense of belonging. The company's active involvement in these initiatives reflects ISS's dedication to fostering a workplace that is safe, enjoyable, and enables every employee to thrive personally and professionally.

# SPONSORSHIP

“We are thrilled to share the resounding success of the recent Sponsorship Appreciation Dinner, a glamorous affair hosted at Siri House on the evening of September 28th. This exclusive event stood as a testament to the profound gratitude we hold for the invaluable sponsors who have played a pivotal role in propelling our chapter's mission forward.

We express our deepest appreciation to the esteemed companies that have generously supported us: ISS, M Moser, Instant, IWG, JEB, Colliers, T1 Glass and Zenith.

The atmosphere at Siri House was charged with excitement and camaraderie as we gathered to celebrate the collective achievements made possible by the unwavering commitment of our sponsors. Each of these companies has not only sponsored our chapter but has become an integral part of our journey, contributing significantly to our growth and success. The evening was a carefully curated blend of acknowledgment and festivity, allowing us to recognize the dedicated efforts of our sponsors and express our gratitude on a personal level.

ISS, with their exemplary services, has been an anchor in our journey, providing crucial support and guidance. M Moser's innovative solutions have consistently elevated our initiatives, and Instant's commitment to excellence has been a driving force in our accomplishments.

The collaborative spirit of IWG, the design expertise of JEB, and the strategic insights from Colliers have added immeasurable value to our projects. T1 Glass's dedication to quality and Zenith's commitment to excellence have truly set the gold standard in sponsorship.

The evening commenced with a warm welcome to our sponsors, followed by an engaging program that included heartfelt speeches, a visual journey of our shared successes, and a gourmet dining experience that reflected the sophistication of our partnerships.

The success of our chapter is undeniably intertwined with the steadfast support of these sponsors, and the Sponsorship Appreciation Dinner served as a platform to not only express our gratitude but to strengthen the bonds that make our collective achievements possible. We look forward to continuing this incredible journey together, setting new benchmarks of excellence and making a lasting impact in our community

In closing, we extend our deepest thanks once again to ISS, M Moser, Instant, IWG, JEB, Colliers, T1 Glass, and Zenith. Your unwavering commitment to our cause inspires us to reach new heights, and we eagerly anticipate the continued success of our collaboration in the future. Cheers to our sponsors and to many more milestones ahead!”

# MEMBERSHIP

What a great ending to our Membership year, and to my 2+ years serving on the Membership subcommittee!

As I'm surrounded by moving boxes, preparing for a new-year relocation back to Australia, I'm reflecting on an amazing Chapter journey, and the positive impact this Chapter has had on my 5-year Singapore experience.

We had a great turnout to our Members' Appreciation evening, hosted beautifully by Steelcase on Thursday 30th November. New members were celebrated along with current members, sponsors, partners and volunteer Board and committee members at the stunning new Steelcase showroom.

This wrapped up a year where as a chapter we have hosted over 25 (official) events, and somewhere around 40-50 events when you count spontaneous neighbourhood group meet-ups, mentor connects and more! This was for sure the year we came together as a chapter in many different ways and places.

Rounding out the year as certified Chapter of The Year - twice!, is a testament to the impact and strength of our community, and putting Singapore (and Asia) chapters on the global stage.

From the get-go we were the first member association in Singapore to enable in-person networking on the back of the Covid pandemic. Working to a strict pandemic protocol, whether it was groups of 5, 8, 10 or whatever the prevailing rule of the day was, we were bringing people together in-person.

Recognising that networking is one of the key value drivers of the member experience, we setup local Neighbourhood Groups that still meet up regularly today. If you haven't joined one or more Neighbourhood Groups, please do so using the QR codes below.

**CoreNet Central**
WhatsApp group

**CoreNet East**
WhatsApp group

**CoreNet North West**
WhatsApp group

**Scan & Join a Neighborhood Group**

When we could bring these groups together on a larger scale… Pop-up networking nights became a regular fixture.. and remain part of our plan into 2024. Many unique friendships and bonds have been formed at these events….

Our strong membership base continues to grow beyond previously established records in 2023. We end the year with 347 official members, our strongest ever. A true testament to the value of our packed calendar of learning, events, thought-leadership and networking opportunities.

A reminder to those of us who still have renewal emails sitting in our inbox - Please renew to stay connected into the new year!

What a transition it's been, from zoom events in 2020 through to the action packed year we've just experienced…Thanks to all who've been a pert of our member experience journey.. Signing off from my role in CoreNet Singapore chapter… but I'll still be a frequent visitor! Wishing all a Merry Christmas and Happy New Year!

*Paul Schmeja*

# MEMBERSHIP

## Trial memberships are available

A reminder about our Trial Membership program. If you have industry friends or colleagues who are “on the fence” about joining, they can sign-up for a complimentary trial membership (one-month). They will experience our award-winning chapter for themselves with full membership benefits during this time. They can then convert to paid membership with a 15% discount during their trial membership.

Timing couldn’t be better… during their complimentary trial they can access member exclusive pricing to attend our upcoming Global Summits including in Kuala Lumpur, Malaysia (5 -7 March 2023).

Connect them with a Membership subcommittee member, or check it out HERE

Placemaking, simply put, is the multidisciplinary art of turning ***Spaces into Places***. It is a trending term in urban planning and real estate. However, there are practical lessons to be learnt and applied to the world of work.
Here are some universal guiding principles to consider for your workplaces:

1. **PLANNING** Provide flexible and easily adaptable space for community activation.
2. **AESTHETICS** Craft colours, materials, lighting, and decorations for appealing and user relevant environments.
3. **EXPERIENCE** Consider user comfort and well-being to offer warm and welcoming spaces for work, relaxation, and interaction.
4. **CONNECTION** Embrace cultural and contextual relevance, to help build connection and a sense of belonging.
5. **INCLUSIVITY** considers the diverse needs of users, ensuring that the space is comfortable, accessible, and safe for all.

By taking a more human-centric approach, it can help you deliver a better sense of connection, community, and well-being in the workplace.

# LEARNING & DEVELOPMENT

*"The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves.." - Steven Spielberg*

## Season 4 MentorConnect – Executive Mentorship Launched Sept 2023

We launched the exclusive executive mentorship program at the beautiful offer of Cushman & Wakefield on 21 Sept 2023 with our 5 executive and 3 student Mentor-Mentee pairs. The coaching session led by Erwin Chong, the Group Head – Corporate Real Estate Strategy and Administration of DBS Bank, allowed each pair to prepare themselves for this 5 month program together. We were taught active listening, steps on when to ask / no ask questions and allow the other person to uncover their own challenges and hopefully break-through. Intense, insightful and filled with intention!

## Student Awards Program 2022 Closing and 2023 Launched

The L&D team celebrated the completion of our inaugural Student Scholarship Program 2022 with 3 student scholars Nanyang Polytechnic/Teo Jun Kai, National University of Singapore/Gayatri Balasubramanian & Nanyang Technological University/Lee Woo Bin. It was wonderful to have these students learn more about CoreNet Global and to be connected to the Singapore CRE network.

On 2nd Nov 2023 at the CoreNet Global [Singapore Chapter] Symposium 2023 , we introduced and issued the awards to 3 new students - National University of Singapore / Le Phuong Thao, National University of Singapore / Shermane Ng Yun Wen and Nanyang Technological University / Lyon Kan Jia Sheng.

We encourage the CRE industry to reach out and connect with these students past and present to help them get to know the CRE industry better and strengthen their network.

# DIVERSITY, EQUITY & INCLUSION

In September, CoreNet Global Singapore Chapter participated in the Run For Inclusion organised by Running Hour. It is an annual run organised to promote integration and to nurture an inclusive Singapore for people with special needs. It is one of the few running events in Singapore where participants run alongside runners with special needs. Running Hour also includes people with non-visible disabilities such as mental health issues, under their umbrella. They are a truly inclusive group. An event such as this creates wider awareness of the various issues faced by people with special needs.

There was a segment during the run where you and a buddy could take turns wearing a blindfold and run/ walk for 500 meters. Those who signed up for this were trained prior to the event on how to be a guide to a visually impaired person. This was a very impactful and eye-opening experience (pun intended). You gain an appreciation for simple things like being able to get on an escalator or walking up and down a staircase.

A very big Thank You to our members and their families who supported this. We had 23 registrants via CoreNet this time around. Some did the 18km cycle event, others ran either 2.3km, 5km or 10km….. on a hot scorching Saturday afternoon! Your commitment to this event will not be forgotten.

Looking forward, the team had a planning session in mid-November to set our Mission, Vision & Goals for 2024. While International Women's Day, Pride and Run For Inclusion remain our mainstay, do stay tuned for more exciting news on what we have in store for DE&I in the coming weeks. We look forward to having more of your participation.

# HELLO YOUNG LEADERS !

An amazing close to a wonderful year of CRE activities, the CoreNet Singapore Young Leaders community has grown tremendously in the last 18 months as we see an increase in memberships! The year started strong with a YL Networking Drinks sponsored by Louis Poulsen in April with fun-filled activities and lucky draw prizes! In September, we had the pleasure of touring The Coca Cola Company's office to witness their collaborative, inclusive workplace that empowers their employees to thrive! Most recently, the YLs closed the year with our annual EOY party sponsored by Maharam at the Xtra retail store!

We look forward to continuing to engage with our growing YL family at the upcoming CoreNet events and not to forget – the upcoming CoreNet APAC Summit in Kuala Lumpur in March 2024!

Wishing all of your a relaxing and rejuvenating festive season and hope to see you soon!

## SHARE YOUR CRE INSIGHTS!

In today's hybrid and remote working world, the day-to-day impacts of corporate real estate are not as prevalent as they once were. As work becomes an activity, not just a place, the role of real estate is evolving, presenting opportunities to redefine impact within organizations.

This survey will help us understand how trends are impacting the role of corporate real estate teams and what will allow real estate leaders to have proactive influence on their organization.

CORPORATE REAL ESTATE 2030

Accelerated change. Tectonic shift. Radical transformation. Exponential uncertainty. No matter how you define it, the corporate real estate profession is in a state of flux. The convergence (or collision) between what employees want and what companies want places corporate real estate (CRE) at the center of the conversation when it comes to the role of place in how and where work gets done.

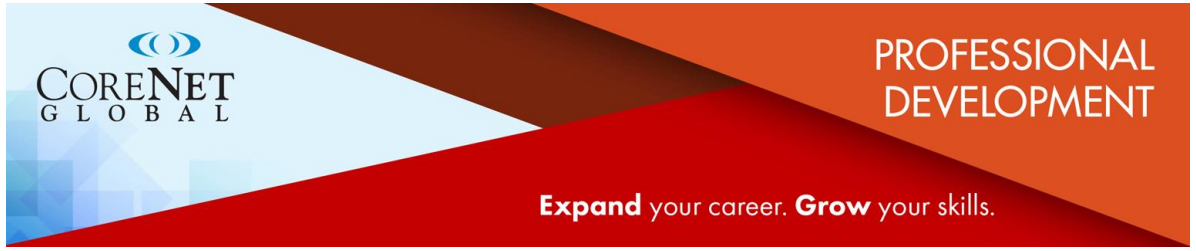

Add to this greater economic and geopolitical challenges and the timing is ripe for a deep dive into the factors at play – and the development of a new model for CRE.

Won't you join us? CoreNet Global will embark on another international research initiative aimed at attracting the best and brightest talent both within – and outside – the CRE space to discuss the future of work and the future of CRE. Following up on Corporate Real Estate 2010 and Corporate Real Estate 2020 research projects, the association will convene professionals the world over in virtual and in-person settings to develop bold forecasts about what comes next for corporate real estate (CRE).

## CORENET GLOBAL LEARNING CENTER

It's time to level up your professional development and secure your future.
