## TESTIMONIALS

CoreNet Atlanta is proud to offer opportunities to its valued members and sponsors.

"I find that taking time to connect with others in the industry, compare notes and reenergize through new ideas is critical to being the best I can be in my job and the Atlanta Chapter of CoreNet helps me do this multiple times throughout the year."

- Julie Seitz, Director, Workplace 2020, The Coca-Cola Company

"CoreNet Global's Atlanta Chapter is very vibrant with cutting edge programs that help me stay informed about trends not only in Atlanta, but within the real estate industry at large. In addition, the networking opportunities with other real estate professionals, whether end users or service providers, are priceless."

- Paula Fowler, Senior Vice President, Operations, Cresa Atlanta

"Our core business is Tenant Representation and the bulk of our clients are large corporations. If you want to mix and mingle with the men and women who are making decisions for these companies, then you have to be a member of CoreNet Global. The sponsorship allows our company to be front and center of the major events that are held by the Atlanta Chapter, where we learn best practices and exchange ideas with fellow members, which is invaluable."

- Dallas Smith, President, T. Dallas Smith & Company
