16:35 – 17:20	Great Ideas Swap
----------------------	-------------------------

We all look for ideas to improve our Component (Chapter, Community or SIG). Listen closely in this session because there are bound to be ideas you can implement when you get back home. We'll hear and see examples from six of your colleagues who are ready to share their good ideas!

- Creating a solid and sustainable leadership team
- Advocacy: Getting the message out
- How to Develop your Young Leader audience
- Core Fundamentals Learning Experience
- Running an Awards Program
- Recognizing Students

17:20 – 17:30	Get to Know the Resources
----------------------	----------------------------------

Learn more on some of the great Resources and Tools that are at your fingers tips!

17:30 – 18:00	Open Discussion
