

OpCo Workplace Responsibilities

Roles

- 1. Workplace Community Leader ownership of the Corenet UK workplace community.
- 2. Workplace Community Young Leader coverage and support to community leader.

Responsibilities and objectives

- 1. CoreNet UK Chapter responsibilities
 - a. Ensure consistency with overall strategic objectives of CoreNet UK.
 - b. Provide monthly updates to the CoreNet Board on initiatives/content and events throughout the Workplace Community.
 - c. Promote membership of CoreNet and market services provided, including learning and development, mentorship, events, etc.
- 2. Workplace Chapter Leadership
 - a. Develop a network of Workplace Subject matter Experts within the UK chapter network.
 - b. Chair Workplace Committee responsible for delivering one learning event, one white paper and one social event per year. Event should have industry expert speakers with an audience of 50-150 people.
 - c. Ensure representation of members at committee meetings to validate relevance.

Support

Ideally a spread of end users and consultants with differing backgrounds:

- leader
- young leader
- financial end user
- TMT end user
- pharma end user
- architect workplace consultant
- real estate workplace consultant

Time expectation – 1-2 hours per week.
