

Well it was nearly December - and it's known as 'getting in early'!

So the last day of November saw over a hundred of CoreNet's UK Chapter members and friends gathered in Holborn to celebrate yet another year of great meetings and fascinating seminars.

Generously sponsored by Hilson Moran and Overbury, the annual CoreNet UK Chapter Christmas Party allowed colleagues to

exchange gossip and news while tucking in to delicious nibbles and drinks offered by the cocktail bar Lounge 33. A great way to start the party season!

Happy Christmas everyone
