

### Architectural Boat Tour

Guide and commentator: Benedict O’Looney  
Sponsors: Arcadis, Elementa, GL Hearn part of Capita

Another fantastic Architectural Boat Tour on the Thames was enjoyed by 150 CoreNet members and guests on a warm, summer’s evening on the Avontur IV. Due to increased numbers we had to migrate to a larger vessel, which also provided a free bar and delicious BBQ. Our fabulous guide, Benedict O’Looney, delighted everyone with his incredible knowledge and interesting commentary. Plans are already afloat for next year’s tour!
