**CORENET MEMBER SINCE 2016**

## CORENET EXPERIENCE

- Took part in the MCR programme in 2016 and is now party of the faculty
- Attend UK Chapter events and Global Summits around the world
- Mentor in the UK Chapter

//

CoreNet and the MCR programme in particular has given me so much throughout my real estate career, both as a candidate where I connected with peers who are now friends and even colleagues and as faculty where I take huge enjoyment from sharing experiences and hearing the challenges facing the real estate leaders of today and tomorrow.

The network that I have built over the years is amazing and means that I always feel at home whenever I attend an event.
