About CoreNet Global

CoreNet Global is the world's leading association for corporate real estate (CRE) and workplace professionals, service providers and economic developers. Over 9,000 members, who include 70% of the Fortune 100 and nearly half of the Forbes Global 2000, meet locally, globally and virtually to develop networks, share knowledge, learn and thrive professionally.

The New Jersey Chapter invites you to partner with us this year in creating compelling and valuable events for our membership while helping to meet the professional goals of your company. Partnering levels will offer sponsors consistent exposure to our chapter membership as well as allow for strategic engagement in programs that align with the sponsor firm's expertise.
