Tampa Chapter

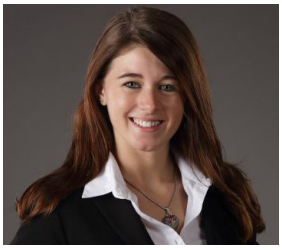
2017 Young Leader Events

In 2017 our Young Leader events will be centered on a theme of "Personal Branding." In addition to the knowledge our presenters will bring they will be sharing personal thoughts on how to better build YOUR brand within your company.

It is our goal to maximize attendance at our Young Leader meetings by focusing on events that seek to develop our careers and enhance our knowledge of Corporate Real Estate as a whole. Some of our programs this year will highlight a variety of topics including the Enterprise Alignment with respect to Mergers & Acquisitions and Real Estate Outlook in the Tampa Bay Area.

OBJECTIVE
ADVERTISING
MARKETING
IDENTITY
PRODUCT

"Your brand is what people say about you when you're not in the room." - Jeff Bezos, founder of Amazon



Any questions or interest in getting involved with CoreNet Global as a Young Leader, please contact.

Ongoing Young Leader opportunities

In efforts to build our connection with The University of Tampa, we are offering ties for our Young Leader membership base to the Sykes College of Business. A variety of classes and campus organizations are always welcoming working professionals to be a guest speaker and present on their background, career, and how they got to where they are.
