THE STAR REPORT

LEGISLATIVE UPDATE

2026
Legislative Update

- What Parks & Recreation Staff Need to Know
 - CPRS Watch List – April 2026

AB-946: Urban Parks & 30x30

- Author: Bryan (D)
- Status: Senate Rules
- Ensures 30x30 conservation goal includes urban parks
 - Recognizes city parks as essential conservation spaces
 - Impact: More funding for urban parks
 - More projects in underserved neighborhoods
 - More urban greening jobs & community programming
- Position: Sponsor

SB-1268: Outdoor Public Recreation Spaces : Equitable Access

- Author: Gonzalez (D)
- Status: Senate Appropriations
- Establishes a Natural Resources Agency initiative to advance equitable access to outdoor public recreation spaces.
 - Would align access goals with state's 30x30 conservation targets
 - Annual reporting to Legislature would be required beginning Jan. 2028
- Position: Recommend Support

AB-35: Climate & Parks Bond Implementation

- Author: Alvarez (D)
- Status: Senate Rules
- Implements \$10B voter-approved climate & parks bond
 - Funds parks, shade, trees, wildfire, water & clean air projects
 - Reduces red tape for faster grant rollout
 - Impact: More grant-funded park projects & programming
 - Expect projects to move faster than rulemaking
- Position: Support

AB-1804: State Parks: Passes Through Libraries

- Author: Hart (D)
- Status: Assembly Appropriations Suspense File
- Authorizes the Dept. of Parks & Rec to partner with the CA State Library and Local Library Systems to distribute park passes.
- Bill reaffirms the State's commitment to equitable and inclusive access to state park system
- Position: Watch/Monitoring

AB-2184: Cap & Invest: Nature Based Climate Solutions Funding

- Author: Wilson (D)
- Status: Assembly Appropriations
- Appropriates \$250M annually from the Greenhouse Gas Reduction Fund from FY 27/28 through FY 45/46 for nature based climate solutions
 - Including \$150m to the natural resources agency and \$100M at legislative discretion.
 - An additional \$150m annually goes to the Dept. Food and Agriculture for sustainable Agricultural practices
- Position: Watch/Monitoring

AB 2578- Outdoor Recreation Partnerships

- Author: Rogers (D)
- Status: Assembly Appropriations
- Expands partnerships for recreation and outdoor economy
 - Brings funding and project support
 - Impact: More programs and collaboration opportunities
 - This could establish a new, influential outdoor recreation entity at the state level.
- Position: Support

AB-1639: Drowning Prevention & CPR Awareness

- Author: Davies (R)
- Status: Assembly Emergency Management (Hearing canceled by author)
- Strengthens CPR education & drowning emergency messaging
 - Direct impact on aquatics and swim operations
 - Impact: Increased CPR training emphasis
 - More public education responsibilities
- Position: Active Watch

AB-1571: Kids’ Life Jackets Naming Cleanup

- Author: Rodriguez, Michelle (D)
- Status: Senate Rules (Passed Assembly 64-0)
- Updates term 'puddle jumper' to 'swim vest' in safety law
 - Improves clarity and consistency in safety messaging
 - Impact: Minimal operational change
 - Supports clearer aquatics safety communication
- Position: Support

AB-1819: AED: Senior Centers

- Author: Sanchez (R)
- Status: Assembly Appropriations
- Requires senior center, including those run by local governments to have an AED on site.
 - Imposes training and maintenance standards
 - Provides liability protection for employees or volunteers who use AED in an emergency
- Position: Monitoring

SB-945: PE Framework: CPR and AED Content

- Author: Weber Pierson (D)
- Status: Senate Appropriations (Hearing set 4/27)
- Requires the instructional quality commission when it next revises the physical education framework after 1/2027 to consider adding content on the importance & proper use of CPR and AEDs
- Position: Monitoring

AB 1626- Mental Health Training (Youth Sports, Interscholastic Athletics)

- Author: Gabriel (D)
- Status: Assembly Appropriations (Consent Calendar)
- Requires mental health training for coaches
 - Expands focus beyond physical safety
 - Impact: New training and better youth support tools
 - Referred to Committee
- Position: Active Watch

AB 2241- Inclusive Playgrounds

- Author: Boerner (D)
- Status: Assembly Appropriations (Consent Calendar)
- Creates accessibility-focused playground guidelines
 - Prioritizes inclusive design
 - Impact: New standards and funding opportunities
 - Amended & Re-referred to Committee
- Position: Monitoring

AB 2649- Parent Volunteers (Youth Organizations)–

- Author: Wicks (D)
- Status: Assembly Human Services (Hearing canceled by Author)
- Parent volunteers exempt from some training
 - Still require background checks
 - Impact: Easier volunteer recruitment
 - Introduced
- Position: Monitoring

AB 1954- Golf Reservations

- Author: Ward (D)
- Status: Assembly Appropriations
- Prevents unauthorized third-party tee time sales
 - Protects city golf operations
 - Impact: More control over reservations
 - Amended & Re-referred to Committee
- Position: Monitoring

SB 239: Brown Act: Teleconferencing for Subsidiary Bodies – (2 yr Bill)

- Author: Arreguin (D)
- Status: Assembly Desk (passed Senate 29-11)
- Allows flexible teleconferencing for advisory bodies
 - Impact: Easier quorum
 - Improved participation
 - Flexible meeting logistics
- Position: Support

AB 1772: Fish and Wildlife: Invasive Mussels

- Author: Papan (D)
- Status: Assembly Water, Parks and Wildlife
- Strengthens invasive mussel management by requiring water supply system operators to update their control plans as of 1/2026.
- Builds on existing law prohibiting mussel possession and requires cooperation with Dept. of Fish and Wildlife
- Position: Monitoring

SB 1036: Mitigation Fee Act: Development Impact Fees

- Author: Grayson (D)
- Status: Senate third reading
- Modifies how development fees are calculated when a project demolishes or changes an existing use.
- The fee amount would be offset to reflect only the incremental new impact on public facilities not the replaced use.
- Position: Monitoring

SB 1139: Monterey Peninsula Water District: Nonfunctional Turf Enforcement

- Author: Laird (D)
- Status: Assembly Desk (passed Senate 38-0)
- Authorizes the Monterey Peninsula Water Management District to impose civil penalties on properties that irrigate nonfunctional turf in violation of existing conservation rules.
- Position: Monitoring
