Membership is for one year from the date dues are received. 14% of your membership dues goes towards a subscription to the California Parks & Recreation magazine and members may not deduct subscription price from dues. CPRS dues are not deductible as a charitable contribution for U.S.federal income tax purposes, but may be deductible as a business expense. CPRS estimates that 14.85% of your dues are not deductible because of CPRS lobbying activities on behalf of its members.
