# WHY ATTEND?

*DON'T MISS IT*

**Now more than ever special districts need to advocate on behalf of the communities they serve. From the pandemic to climate adaptation, lawmakers in Sacramento and Washington D.C. are making critical decisions that will impact the budget, infrastructure, and services of your district.**

Virtual Special Districts Legislative Days is the only opportunity for all types of special districts, large and small, north and south, rural and urban to come together with one united voice. Issues like revenue, governance, labor, and public works matter to all districts whether they provide water, sewer, fire protection, parks, cemeteries, healthcare, mosquito abatement, ports, harbors, airports, libraries, or other essential services.

Don't miss this opportunity to hear from California's top decision-makers, build partnerships, and strengthen the voice of local control. Past speakers have included California's State Controller, State Treasurer, Secretary of State, Secretary of Natural Resources, Director of the Office of Emergency Services, State Auditor, Legislative Analyst, and Director of Finance.
