This workshop will discuss the board’s role in the governance of a special district. Using California Community Services District Law as a template, we will examine the “duties” of the board and provide a job description. Samples of various public agency board member manuals will be presented to discuss how the issues and responsibilities of governance and operations are defined.

The presenter will also examine Brown Act and ethics related issues that have been identified in various Grand Jury reports recently released to the public.
