Mission Statement:

Our mission is to advance building information management and education of project teams to improve facility performance.
“The purpose of CSI is to bring all partners from the construction industry together. Sponsoring these events makes it possible to complete that mission. If I can reach the design, contractor and supplier communities at the same time by sponsoring a single event I consider that a win.”
Christopher Bennett, CSI, CDT
Project Manager, Tao Group

“Being a CSI sponsor provides a great connection of my face, my product, and my company to the other members. In our case when the subject is metal panels, mine is the face they see in their minds. It is a valuable connection.”
Steve Popkes, CSI, CDT

Industry Forum; “The CSI Industry Forum has grown to become one of the marque events in the Portland area. Both the 6 x 10’s and Keynote presentation are innovative and inspiring. CSI bring all trades together and we’ve found that the Industry Forum provides an unique opportunity for Ideate to network with local Architects, Engineers, Contractors and Building Owners.”
Qatanna Palioca, Marketing Director
Ideate Inc.

“We are pleased to be a repetitive sponsor for the Portland Chapter CSI Golf Tournament. This well-organized event allows us a day to informally collaborate and network with our clients, vendors, and peers. We have found over and over again that investing a day out of the office in this casual and fun environment pays dividends to many a projects’ success. We appreciate the time and energy that the Portland CSI team puts forth to make this such a successful event and look forward to partnering in the future.”
