Job Title:

Company/Organization:

Hometown:

- Are you a member of CSI and if so, for how long?
- How has CSI impacted you, both personally and professionally?
- What was your first industry job?
- How would you describe your profession? Why does your profession matter to you?
- What is your favorite aspect of working with others in this field?
- What opportunities does CSI have to grow?
- What is the construction industry's biggest challenge?
- How has the process of creating specifications changed in the last 5 years, and how do you see this process changing within the next five years?
- From your perspective, how has the role of the specifier changed over the last 10 years, and how do you see that role changing during the next five years?
- What's the one piece of advice you wish someone had given you?
- Tell us about your daily routine.
- What are you passionate about outside of the industry?
- What's the coolest project you've ever worked on, or are working on now? How might that relate to knowledge you gained via CSI?
- What's the one question you would have liked me to ask you?
