

MasterFormat® 2016 Edition Errata

July 26, 2016

Thank you for your purchase of the MasterFormat 2016 Edition.

The following errors and inconsistencies were introduced in the process of assembling and printing the MasterFormat 2016 Edition. We have listed the errors below, noting the page numbers on which they occur, as well as the correct information.

Please note that this information is presented correctly on the masterformat.com website and as of June 1, 2016 has been corrected in the electronic files distributed with MasterFormat 2016 Edition.

Page 259; 12 21 13 Wood Blinds: title error – The correct title is Horizontal Louver Blinds.

Page 385; 28 12 01: numbering error – The correct number for General Requirements for Access Control Systems is 28 12 00.

CSI and CSC apologize for any confusion these errors may cause.
