To all the Great Lakes Region CSI Members,

Why exactly are you a part of CSI?

➢ What do the three letters after your name mean to you?
➢ Is it the continuing education credits that many chapters have at their monthly meetings?
➢ Is it the food and drink that is provided at those meetings?
➢ The social interaction with like-minded people?

These questions and many more were asked of me lately at a lunch and learn presentation I was giving at a very large architectural firm in Columbus. The person asking was interested gave me the impression that he was interested in joining, but it turned out to be a transfer from another major city to Columbus and inquiring about the local chapter. He ended his story about CSI with, “I never really got anything out of it.” To which I asked right back, “What did you put in CSI to expect something back?” One would be surprised at how many blank stares I get when I put that question back on the them…

Sure, the go-to answer is the networking opportunities of this organization (I cannot brag about this enough due to personal experiences), but there is so much more. Any company, any organization, any group or even any club must have quality leadership surrounded by individuals that care. If any part of that “cell” ceases to function, the entire body collapses (who said I didn’t learn anything in high school science class?). It is the people, the natural resource of CSI that make this organization.

As I wrap this up, I have a couple of requests to all:

1. Design Columbus in Columbus, Ohio is happening March 9th. [www.designcolumbus.org](http://www.designcolumbus.org)
4. Bring someone better looking than you to the next local chapter meeting and take advantage of the Chapter Challenge. If you do not know what the Chapter Challenge is, both of you can learn together and look good doing it.

Now get back to work… you’re burning daylight!

Again, ramblings of a trusted product representative!

Michael Rathburn, CSI
2019-2020 Great Lakes Region President

The CSI Year is marching forward. Football ended with an exciting Super Bowl, basketball is in full swing, and spring training in baseball starts this month. Preparations are in full swing for the Spring GLR Conference April 23-25, 2020, in Covington Kentucky. Registration for the Conference and for the hotel will be opening soon.

Consider running for a GLR Office this Spring (President-Elect, Vice President, Treasurer, or Emerging Professional) or run in one of your chapter offices that are up for election. Doing so assures the GLR Region and local chapters will remain strong with new leadership. Contact Edmund Brown ebrown@guidondesign.com of your interest in any of the region positions. Step up to assume one of these positions and improve your professional career with your leadership skills.

I have returned from the Institute Board Winter Board Meeting in Pasadena, CA. Below are some of the items of note:

➢ Spring Certification Exams are slated for May and June this Spring. Registration opens on February 19, 2020. Many of the Region’s Chapters are already in session or soon will be for CDT Exam Prep. Information can be found at the Institute Website: www.csiresources.org.

➢ CDT, CCS, and CCS Certifications will be available for examination this Spring. Currently, CCPR is being analyzed for examination later.

➢ An updated PDPG – Edition 3 will be available by June 2020. This will be accompanied with updated Instructor Materials of the CDT Exam.

➢ Updated PSPG (CCS) will be available by Fall 2020. PCPG (CCCA) will available for Spring 2021.

➢ The Dynamic Chapter Program (DCP) past coaching sessions are available on the Institute Website 24/7 for resources of how you can plan more exciting Chapter Programs. Many highlights of successful chapter program promotions are included.

➢ Interested CSI Members have submitted their nominations to the Nominations Chair for three positions on the Institute Board: Board Chair Elect, Treasurer, and Director at Large. The final nominees will be posted to the Institute Website to be voted on in the General CSI Election scheduled in March.

➢ I will have additional items next month.

As Institute Awards Chair, I will be hosting a presentation on the Institute Honors and Awards that are up for nominations this year. Date to be announced. The 2020 Honors and Awards Guide will be released this month. The CSI Weekly will have several articles discussing the various Institute Honors and Awards to help promote interest. The deadline to submit the various Honor and Award Nominations is May 28, 2020. The Outstanding Chapter Commendations (OCC) will be due July 13, 2020. Judging for the various Awards will be done by the Institute Awards Committee after the Nominations have been submitted. Judging for Fellowship Nominations will be done by the Jury of Fellows. This is CSI’s way of rewarding those in your Chapter or Region who have gone “up and above” and shown they deserve an award.

Drop me a line or call about any praises, concerns, or questions about CSI.

Thanks!

The purpose of CSI is to bring all partners from the construction industry together. The 2020 CSI Great Lakes Region Conference will bring together CSI members and guests from Ohio, Kentucky, Indiana, Michigan, and West Virginia. Through your sponsorship, you will be able to reach the design, contractor, and supplier communities from five states at the same time by sponsoring a single event. Being a Great Lake Region Conference sponsor will provide you with a great connection of your product, and company (and your face if you attend) to many CSI members and guests throughout the region.

Click HERE to go to the 2020 Great Lakes Region Conference page on the CSI Cincinnati website. There you will find out all about the conference. Purchasing a sponsorship online is easy!

Thank you for your support of CSI!
