Wishing everyone a Happy Thanksgiving and Happy Holidays.

We recently sent our candidates to Institute for inclusion on the February national ballot. The following people are running for the following positions:

President Elect: Hank Hondorp (Grand Rapids) Vice President: Jim McDonald (Columbus), Ken Schmidt (Indianapolis), Donald Bauman (Detroit) Secretary: Ed Brown (Indianapolis), Scott Taylor (Cleveland) Institute Director: Thad Goodman (Columbus)

We are still looking for an Emerging Professional for a Board position and hope to have one appointed in the next couple of months.

# **Chapter Leadership Training**

#### Calendar

With regard to our GLR Calendar, we are working to make this available through our website. Please send your information to Jim McDonald (<u>Jimmcdonald067@gmail.com</u>). Please do not hesitate to contact me to attend a Chapter event or Chapter meeting.

#### **GLR Chapters**

Sadly, we will be sunsetting two chapters, Ft. Wayne and Saginaw Valley. They have been struggling for years and the Great Lakes Region continued to communicate and encourage involvement of members. Thad Goodman, Great Lakes Region Director will be presenting the recommendation for sunsetting these two chapters to Institute Board in the coming months.

An option for CSI members who do not have a CSI Chapter in close proximity, an option is CSINext, a Virtual Web based CSI Chapter. This chapter's goal is to establish a social network that strives to function just like a traditional chapter. Once a member logs in, the first thing each member needs to focus on building is their profile. This is a snapshot of the members information that they will need to fill in as they see fit, including a place to upload a picture of themselves. Just like any good chapter, it always helps to place a face to a name. The user list lets each member visit each other's profile; also the last five members to visit are listed on the home page. Each member has access to the Private Messaging System. Another feature is Article Comments. At the bottom of each article is a comment box. Sharing of comments, thoughts and ideas is one of the best ways to interact with each other. There are other features such as an event calendar, photo gallery, guest books, and article and web link submission. www.csinext.org

As I promised, I will be highlighting one chapter a month in my addresses. This month it is the CSI Louisville Chapter. CSI Louisville Chapter hosted their annual Day at the Races. About 54 were in attendance, several from the Indianapolis Chapter. My husband and I attended and we plan on making it a yearly event on our calendar. I encourage more from Indianapolis to attend in the future.
