

PRESIDENT'S ADDRESS

Greetings Fellow GLR Members!

It seems that I am still trying to get my bearings on this whole being Region President. My fall calendar is now getting more hectic by the minute. The kids are back in school, fall baseball is filling my time, and now I am in the process of buying a home for the first time. Fall is usually the busiest time of year for me, so it seems like you are getting this newsletter late, my apologies. I will work on getting these out in a more timely fashion.

CONSTRUCT is just around the corner. October will be here before you know it. For those who do not know, CONSTRUCT is the annual CSI Convention, held this year in Long Beach, CA October 3-5. I would love to see all of you there. I look forward to having a great time with all of the members from the Region and from around the nation. If you all can do me a favor, if you are planning on attending CONSTRUCT, Ralph Pittman, Indianapolis Chapter

(rpitman@sebreearchitects.com) is planning on attending and is compiling a list of attendees. If you can send him your contact and hotel information, it would be greatly appreciated. For those in attendance, Region Caucus will be held on Wednesday, October 3, 2018 from 5:45pm to 6:45pm. The location will be posted on the Institute website. Attendance will be taken and is mandatory in order to receive a reimbursement from the Region per the guidelines that were posted in last month's Newsletter. I hope to see you all there.

The 2019 Region Conference planning is going at full speed. Several CEU programs are being offered at the Conference that will be open to both CSI and AIA members. The conference date has been set for April 11-13, 2019 at the Athenaeum Suites in Detroit's Greektown. There will also be leadership training opportunities as well for those who want to pursue a leadership role in CSI.

I would like to take a moment to highlight some of the events that are happening throughout our region. The Louisville Chapter is having their annual Day at the Downs at Churchill Downs on November 9, 2018. More information will be available on their Chapter website. The Indianapolis Chapter is having their 44th Annual Trade Show on Thursday, September 27, 2018 from 3pm-7pm at the JW Marriott in downtown Indianapolis. There will be 91 vendors in attendance as well as AIA education seminars. The theme of the Tradeshow is "Innovations in Construction." Registration is free and available on the Chapter website. The Cincinnati Chapter has a special program this month. They are going to have a presentation by the founder of Operations Honor. This is an organization that hires veterans to hand-craft flag cases to sell and donate to veteran cemeteries throughout the country. The presentation will be held on Wednesday, September 12, 2018 at 11am at the Original Montgomery Inn in Montgomery, OH. The Cleveland Chapter is having a Chapter presentation on writing a glazing spec on Thursday, September 20, 2018 at 5:30pm at the Genesis Building in Cleveland, OH. The Chapter is also hosting a Facilities Maintenance Expo on Saturday, October 20, 2018 at the Holiday Inn in Independence, OH. This expo gathers plant engineers and building maintenance professionals from around the region. These are just some of exciting events taking place throughout the Region. I ask that each of you take a few moments to go onto the Region website and check out what is going on in other Chapters of the Great Lakes Region.

The Chapter Challenge is going strong! We are getting good results from various Chapters. For those who do not know what this is, each Chapter is to have a goal of getting ten (10) new members, at no cost to the new members. The first year Chapter dues will be covered by the Chapter, which will be reimbursed by the Institute. The Region will cover the first year Institute dues. Keep in mind that this challenge does not apply to renewals or industry members. Each member of this great Region are ambassadors who are encouraged to invite a potential member to their meeting so they can see what CSI is about.

That's all I have for now. If anyone has any questions or issues, please let the board or me know. Thank you for your interest and involvement in CSI!

Edmund Brown, CSI, CCCA, Assoc AIA
2018-2019 GLR President
ed@sebreearchitects.com

GREAT LAKES INSTITUTE DIRECTOR'S MESSAGE

Summer is winding down, fall is around the corner, major league baseball is approaching the playoffs, and pro and college football are starting. With the transition of seasons and sports, time to check what CSI can do for you to transition from a bystander to one who is involved.

CSI has announced a pilot program to assist those that are wanting Certification Training. Those members enrolled for one of the four certification exams this fall (CDT, CCS, CCCA, and CCPR) are automatically connected to a newly created Community on CSI Connect of that Certification. This will help those who did not have access to a Chapter Study Group. Look for more details soon.

CSI is releasing a Volunteer Guide to assist those interested in the many opportunities to volunteer in CSI. This guide describes the volunteer opportunities, what the volunteer is expected to contribute, and the volunteer's anticipated time commitment. This guide supplements an expected "Call for Volunteers" to be revealed shortly. Since CSI is a volunteer organization, this guide will assist those wanting to volunteer with opportunities that match the volunteer's talents and wishes.

Jack Morgan, Institute Director

CONSTRUCT, CSI's national convention, is fast approaching. Most of you who are going have registered, but you can still go if interested. CONSTRUCT starts October 4 and ends October 6 in Long Beach, CA. The show contains an informative Construction Product Show and many educational opportunities. There is also time for networking and fun social events. Check out the CONSTRUCT link on the Institute website.

The Institute's Board will be meeting prior to CONSTRUCT. I will be reporting the many points discussed improving your member experience in CSI in future issues of the *GLR Newsletter*.

Drop me a line or call about anything CSI

CHAPTER CHALLENGE UPDATES

Welcome to the Great Lakes Region Chapter Challenge Update!

When the Chapter Challenge was announced and described, we knew there would be some Chapters or Chairpeople on vacation or just not available. Consequently, they are not quite up to speed with what has been happening. In the introduction to the Chapter Challenge, we scheduled three hour-long conference calls on Tuesday, Wednesday, and Thursday of the last week of each month until December. They are from 3 pm to 4 pm each time through a call-in number. You can call in any time during the meeting and do not have to stay on for the entire hour. If Presidents, Chapter Challenge Chairs, or Ambassadors have any questions, this is the time to get them answered. Our three July calls had a total of around 11 participants. This included the following people: Ken Schmidt, Elizabeth Woodrow, Jack Morgan, Gene King, Roger Donaldson, David Proudfit, Ivette Bruns, Jerry Marquette, Lee King, Bill Ahern, Blair Reese, and Ed Brown.

If you have any questions at any other time during the month, please feel free to contact our Chapter Challenge Coordinator, Elizabeth Woodrow at 317-578-3700 or me at 317-979-1700. The idea is to make this as simple as possible.

Each month, we will be listing Chapter successes so we can start a little competition for the Chapters who reach the goal of 10 new members by Christmas.

If you have any questions, please call me. What we need is the name and contact information for your Chapter Challenge Chairs and Ambassadors so that the Chapter Challenge Coordinator can send them encouragement and leads. We look forward to hearing from you. We are not bashful. If we do not hear from you, you will hear from us.

CHAPTER STANDINGS AS OF JULY 30, 2018
