

Frank W. Crimp*, FCSI

"In recognition of your distinguished and dedicated service to the Construction Specifications Institute, as a member, as a charter member of the Boston Chapter, as a member of numerous committees, as the Institute Director of Region 1, as a member and Chairman of the Institute Bylaws Committee, as a member of the CSI-AIA Liaison Committee, as a co-Chairman of the Joint Industry Conference on Uniform Indexing, as an Institute Vice-President, in further recognition of your persuasive leadership in the initiation and continuance of Institute liaison activities, and for your devotion to furthering the objectives of the Institute at both Chapter and National levels, you are advanced to Fellowship in the Institute on this 22nd day of April, 1964."
Dallas, Texas

FRANK WILLIAM CRIMP was president of the architectural firm of Clinch, Crimp, Brown & Fisher, Inc., in Boston.

He was a former chairman of the AIA Committee on Specifications, former president of the Massachusetts Building Congress, a member of a special Governor-appointed board to study bidding procedures in public construction in Massachusetts, and architect-member of the

Government Center Commission that selected the design, site and construction of the Boston City Hall.

Crimp was also a member of the Building Research Advisory Board's Committee on Economic Impact of Performance Codes and Standards and a member of the National Fire Protection Association Section Committee on Assembly and Educational Occupancies.
