

# John Milton Creamer, FCSI

*"In recognition of your service to the Institute, you are advanced to Fellowship in the Institute, June 20, 1979."*

*Cincinnati, Ohio*

---

JOHN MILTON CREAMER joined CSI in 1957, in Jacksonville, Florida. He was director of specifications for Reynolds, Smith & Hill Architects Engineers Planners, Inc., Jacksonville.

Creamer was instrumental in the creation of the Jacksonville Chapter in 1959 and served as its president for two terms.

He had articles published in a number of technical publications, including The Construction Specifier, and

participated in various chapter and region activities. He actively promoted the importance of the automation and documentation of specifications.

He was responsible for in-service training within his firm, and taught inter-company classes in specification writing and documentation.

It is believed that Creamer passed away in 1995, in Florida.
