HENRY JESSE ZIRKLE was born in Richmond, Virginia, in 1950. He attended Midlothian High School in Virginia.

Henry was Vice President and owner of Morris Industries, a steel fabrication company in Richmond, from 1983 through 2010. In 2010, became the Chief Estimator and a sales representative for Richmond Steel in Chester, Virginia.

He was an active member of the Associated General Contractors (AGC), where he served on the Richmond District Executive Committee and chaired the Insurance/Benefits Committee. He also served as Vice Chair of the Board of Commonwealth Contractors.

Zirkle was known for his many contributions to the operations and development of the Richmond Chapter, and to the Middle Atlantic Region. He believed, above all else, in the value of CSI to its members, and that CSI must be based on sound business and financial principles.

In 1981, Henry was honored by the Home Builders Association of Richmond for his service as 1981 Home Show Committee Chair.

Zirkle passed away at home on 22 September 2025.
