

Loren R. Berry, FCSI

"For your committed service to the CSI governance transition; for your participation in the establishment of two CSI Group Affiliates; for your passionate service as an ambassador of CSI at the University of Oregon and Lane Community College; and for establishing and maintaining student-focused Product Shows, reinforcing your philosophy of 'learn something new every day,' you are advanced to Fellowship on the 14th day of May, 2010."
Philadelphia, Pennsylvania

LOREN R. BERRY was born in Eugene, Oregon in 1956 and grew up around the campus of the University of Oregon. He worked as a roofer and carpenter before, and while, attending the local Community College. He married his wife Lynda in 1977 and continued to work his way through school as a carpenter while attending the University of Oregon School of Architecture. Loren graduated with a Bachelor of Architecture in 1984, carrying the school banner, with his wife and three young children in attendance.

Loren's career began in Eugene, working as an architectural intern for a few local firms and passing the Architectural Registration Exams in 1987. He started his own architectural practice later that year, mostly working for the local hospital and medical groups, either as an owner's representative or as designer and specifier. His father, Jack, moved back to Eugene, and they formed a partnership in 1991, which

became Berry Architects, PC. Loren is currently licensed in Oregon, Idaho and Arizona and holds a NCARB certificate.

Loren joined the Willamette Valley Chapter in 1992 after attending his first meeting, and has been active in chapter committees and leadership ever since. He was Chapter President in 1999-2000, and newsletter editor from 2004 through 2006.

Loren formed the Student Group Affiliate at the University of Oregon in 2001, and continues to work with the students and faculty there. He also formed the State of Jefferson Group Affiliate in southern Oregon and the High Desert Group Affiliate in Central Oregon in 2009. For these efforts he received the Region's most prestigious award, the Frank Stanton Memorial Award.
