

Brandilyn Bailey Fry, FCSI

“For your leadership of the Trade Show and Awards Program of the Akron-Canton Chapter; for promoting the Great Lakes Region Conference in Akron-Canton twice; for your collaboration with other region leaders creating a Region Strategic Plan; and for your outstanding contributions in service to the Institute in the re-vitalization of the Honors & Awards Guide bringing relevance to the major Institute Awards, you are advanced to Fellowship in the Institute on the 14th day of September 2017.”
Providence, Rhode Island

BRANDILYN FRY is an associate principal with Mota Design Group in Akron, OH. She is a graduate of Kent State University holding a Bachelor of Science degree in Architecture and a Bachelor of Architecture degree, both with Honors.

Brandilyn joined the Akron-Canton Chapter in 2002 after the urging of one of her mentors and has served in numerous positions throughout the chapter, including being the youngest and first female president of the Chapter. Now she is the first Fellow from the chapter. The most notable accomplishment with the Akron-Canton Chapter was establishing a chapter office and hiring an executive director to help guide the volunteer board members and create consistency from year to year. She also has co-chaired the

Chapter's successful annual product show and education event for numerous years.

Brandilyn's passion to see CSI move forward at all levels is unwavering. Along the way, she has supported, mentored, encouraged, and inspired others, ensuring that the Akron-Canton Chapter and Great Lakes Region continue their growth and move forward as the construction industry evolves.

Aside from volunteering with CSI, Brandilyn is also a member of the Akron Chapter of the American Institute of Architects (AIA) where she has served as president, treasurer and director.

She resides in beautiful Medina, Ohio with her husband Ryan, and two daughters, Siena and Loren.
