9. General

- This License a) will be interpreted and enforced under Commonwealth of Virginia law without regard to its conflict
  of law principles and any litigation arising from this License will be held exclusively in Alexandria, Virginia courts;
b) may not be assigned by you without CSI's prior written consent; c) is the entire agreement between the parties,
and supersedes any and all prior written or oral understandings between the parties with respect to its subject
matter; and d) may be severed if any provision of the License is found to be unenforceable with the remaining
provisions continuing in full force and effect as if the unenforceable portion did not exist.

- If a dispute arises out of or in connection with this License, a party must give the other party written notice of that
dispute ("Dispute Notice"). If the parties are unable to resolve the dispute through amicable and confidential
negotiation within 60 calendar days (or a longer period as the parties may agree) after the Dispute Notice date,
the parties will submit the dispute to final and binding arbitration to be conducted privately and confidentially in or
near Alexandria, Virginia by a single arbitrator who is a member of the panel of former judges that makes up the
Judicial Arbiter Group ("JAG"), any successor of JAG, or, if JAG or any successor does not then exist, any entity
that can provide a former judge to serve as arbitrator. The parties agree that he award rendered by the arbitrator
will be conclusive, and judgment on the award may be entered in any court having jurisdiction. This arbitration
requirement does not prevent a party from seeking equitable, injunctive or emergency relief from a court of
competent jurisdiction to preserve the status quo or to prevent irreparable harm pending final determination of the
arbitration.

- This General provision survives License expiration or termination.
