

Rebecca Foss Student CDT Reimbursement Program

The CSI Minneapolis-St. Paul Chapter is pleased to announce the new Rebecca Foss Student CDT Reimbursement Program for our student members who are preparing to take the CDT certification exam.

As a CSI student member, you can be reimbursed up to \$100.00 for CDT fees and approved study materials prior to taking the test.

As a CSI student member, you can be reimbursed up to an additional \$150.00 for remaining fees and approved study materials for passing the CDT.

To apply use the check request reimbursement form to apply. This form can be found on the CSI website and sent to Jordan Grote jgrote@jaffemanagement.com

If you have questions or would like more information, contact Jon Rao Papke, FCSI, CCS, AIA jon.papke@gmail.com or see following link <https://www.csiresources.org/certification/cdt>

This program is effective immediately.

The Construction Documents Technology (CDT®) certification provides a comprehensive program of study for anyone seeking to enhance and demonstrate knowledge of writing, interpreting, enforcing and managing construction documents.

Why take the CDT® ?

Pass the Construction Documents Technology exam (CDT®), and you will join an elite group of professionals known in the industry for their comprehensive knowledge of the development and management of construction documents.

Earning your CDT® means:

- Adding "CDT" after your name, to your LinkedIn, business card and your resume — and proudly sharing your CDT digital badge.
- Recognition from employers and other professionals of your understanding of how a building project unfolds from concept to delivery and the roles and relationships of all participants.
- Understanding the documentation involved – which drives effective communication among all members of the construction team.
