PRESIDENT'S MESSAGE

The change in colors as the fall air breezes in reminds us that the year is coming to an end. As we wrap up old business and look forward to a new year with new opportunities, I would like to ask that you consider the connections and opportunities that can be made by volunteering some of your time assisting our chapter. The chapter has a few needs that maybe you would be a good fit for and would like to help us with. We are looking for an Administration Manager to help out with office related duties and our chapter could use some help forming and chairing committees specifically to help with programs and our newsletter. Please reach out to me directly if you would like to learn more about how you can help out. I look forward to hearing from you!

-Nick Valdez, 2023-2024 PSC CSI President

HELP SUPPORT CSI'S MISSION

In 2007, the Puget Sound Chapter CSI established the Puget Sound CSI Memorial Foundation, **a separate organization providing scholarships, fellowships, and grants to promote educational programs serving the construction industry** and related endeavors which support the interests and objectives of the Puget Sound Chapter. The Foundation is administered by a board of volunteers, composed of willing past presidents of the Puget Sound Chapter. Any individual or organization can contribute tax deductible donations to the Foundation.

Past donations have been used to award scholarships to candidates selected on the basis of recommendations by the Foundation Board and by Chapter members. The Foundation is always interested in your fund-raising ideas and financial support to promote the Foundation's objectives.
