## PRESIDENT'S MESSAGE

David G. Axt CCS CSI SCIP  
Puget Sound CSI Chapter President

I'm Baaaaaaack!

I'm back in the saddle again!

Unfortunately, Nick Valdez stepped down as our Chapter President this season, but fortunately I stepped up to fill out the remainder of his term. **So now I have the honor of being Puget Sound Chapter's longest serving president!**

I am really excited to announce that **our Chapter has hired an association manager, Lisa Meucci.** Lisa will be acting much like Andrew Estep (for those of you active in our Chapter years ago). She has many years of experience working with other organizations including the AIA Northwest Washington (AIA NWW). She will be a great benefit to our Chapter by helping out on the day-to-day tasks.

Her main focus will be publications and will be helping produce our monthly newsletter and meeting flyers. She will also become our main office contact for both email and phone number and will forward emails/phone calls to the appropriate officer, director or committee chairperson. I am very happy that she will help get our Chapter organized and running like a well-oiled machine.

**Start thinking about ProSpec, because it will be coming up fast!** This is our big annual tradeshow/seminar/dinner event of the year and will be held at Bell Harbor Convention Center, Pier 66 on Tuesday, March 19th, 2024. Last year we had 220 in attendance and sold out all the tables early! If you would like to become an exhibitor or attendee, please contact Puget Sound CSI office at [psccsioffice@gmail.com](mailto:psccsioffice@gmail.com).

I look forward to serving our award-winning Chapter and hope that you will help volunteer to make us the best that we can be.

# HELP SUPPORT CSI'S MISSION

In 2007, the Puget Sound Chapter CSI established the Puget Sound CSI Memorial Foundation, **a separate organization providing scholarships, fellowships, and grants to promote educational programs serving the construction industry** and related endeavors which support the interests and objectives of the Puget Sound Chapter. The Foundation is administered by a board of volunteers, composed of willing past presidents of the Puget Sound Chapter. Any individual or organization can contribute tax deductible donations to the Foundation.

Past donations have been used to award scholarships to candidates selected on the basis of recommendations by the Foundation Board and by Chapter members. The Foundation is always interested in your fund-raising ideas and financial support to promote the Foundation's objectives.
