award for Highest Service to Chapter. In 1997 he received the PSC Barnes/Thomas award for Industry Service. Chris Rogstads passed earlier this year, Jan 2022. In 1990 he received the PSC Barnes/Thomas award for Industry Service. Chris served as PSC Treasurer in 1989-1990 and Co-Secretary in 1992-1993. Here is a link to his obituary.

**David Walters & Chris Rogstads** 

**President's Message** 

We are sad to announce that two of our beloved CSI past members -David Walters and Chris Rogstads- have recently passed away.

David Walter was always upbeat regardless of his struggles with MS. He served as PSC CSI President in 2006-2007, was a PSC Di-

rector 2000-2002, Vice President in 2002-2003, and Director again from 2003-2005. In 2002, David received the PSC Hallet/Paine

get something out of it and meet new contacts.

upcoming activities on social media.

PSC CSI Chapter President 2022-2023

bring a non-CSI member to a meeting, an event or educational class. Are you a former member that has let their membership lapse? Well, it is never too late to renew your membership and get active with us again. Do you have a special skill that could benefit our Chapter? Please volunteer for a committee. We need your talents. Here are the current committees that we need help with:

Education – Help and/or be a presenter at our educational series.

with people in your industry and those that can help boost your career.

Programs – Help find and organize interesting presentations and site tours.

Membership – Recruit and welcome new members and reach out to lapse members.

Communications - Help editor with Spectrum newsletter articles and meeting announcements and post

As we come back from COVID lock down and virtual meetings, I would like to thank the previous presidents

(Matthew Gregory, April Stokesberry, and Melissa Falcetti) for leading our Chapter through some very difficult and

My main goals this year 1) Grow our Chapter's membership and 2) Get more of our members actively involved in

Do you know someone that might want to become a member? Well, please invite them to a Chapter event.

There are lots of new and exciting meetings and educational activities planned for this season. I am sure they will

I challenge each member to bring in one new member to an event this 2022-2023 season. At the very least please

There is lots to do and we are going to have a lot of fun and learn a lot this coming season. I am looking forward to a fun and educational 2022-2023 season with you. David G. Axt CCS, CSI, SCIP

**BOX RIB** 

Many hands make light work. We need help building up our committees. All our committees could use the help, not

just the ones listed. By serving on a committee, you will learn to build teamwork, leadership skills and make contacts

The Precision Series of architectural wall panels includes twelve profiles that provide architects and designers with creative flexibility by combining bold visual effects with easy, cost-effective installation. Multiple profiles are available with a variety of rib patterns in two depths. Each profile is offered in a no-clip (fastener flange) option, or a clip-fastened panel to accommodate thermal expansion and
